Description

Undoubtedly one of the most luxurious chalets in Méribel..
An exceptional property with outstanding facilities, decor and design. Mont Tremblant epitomises the height of luxurious alpine living, the heated outdoor infinity pool and elevated hot tub add an additional luxury dimension to this already outstanding private home.

It’s a few minutes’ walk from the centre of town, the village's restaurants and shops are on Chalet Mont Tremblant’s doorstep. From the chalet you have easy access to the Chaudanne , Méribel’s main lift station.

Mont Tremblant is a luxurious, modern mountain retreat. The property has been cleverly designed to create a warm and welcoming atmosphere, with sumptuous interiors and exceptional facilities. This beautiful six-bedroom chalet is situated within its own grounds, in the heart of Méribel, with breath-taking views of the surrounding snow-cloaked mountains.
The chalet comfortably sleeps 12 guests in six spacious and well-appointed en-suite bedrooms. Each room is decorated with a warm neutral colour palette and elegant furniture and fabrics. This chalet masterfully combines alpine chic with traditional craftsmanship and natural materials.

The large living space is the heart of Mont Tremblant. The double height ceiling and windows flood the space with natural light and allow for everyone to enjoy the unforgettable mountain views. The living room offers ample space for the whole family to unwind after a day’s skiing and the large central open fireplace is the focal point of the room, a wonderful place to relax with pre-dinner drinks. Set behind the seating area is a cosy snug with a picture window, an ideal spot to relax with a book.

From the living room, you can walk out onto the spacious terrace, where you can enjoy the panoramic, south-facing mountain views. Also located on the ground floor is the impressive dining area which is a perfect place for entertaining. The kitchen is separate to the dining room which allows you to enjoy your meals in relaxed, private settings. There is a large ski room with heated boot warmers, an office, and a guest toilet on this floor too.

Taking the stairs down to the next floor you will find five of the six bedrooms. All of the bedrooms have en-suite bathrooms with separate showers, fireplaces, and TVs. The bedrooms have been carefully designed for maximum comfort, ensuring that you start the day feeling refreshed and ready for a day on the slopes. You will also find the games/TV room on this floor, an ideal space for entertaining all ages with Sky, Apple TV, play station, darts board, bar, and pool table. Adjacent to this room there is a play room, ideal for younger family members, with mini foot table, TV, Wii, toys and games.

The top floor is dedicated to the stunning master bedroom en-suite which has been positioned to take full advantage of the natural surroundings. The open fire and mixture of natural wooden beams emphasises this chalet's beauty. The en-suite bathroom has a large double bath and walk-in rain shower. The room is a haven of relaxation and will leave you feeling refreshed and re-energised when you wake.

Outside on the lower terrace you will find a raised hot tub as well as the spectacular heated infinity pool with jet streams so that you can enjoy incredible views while you
unwind and stretch your muscles. The wellness area is completed with a Hamman, massage treatment room, and shower.

Outside arguably the biggest luxury is on the lower terrace a raised hot tub as well as the spectacular heated infinity pool 8 x 4.5 x 1.2 m deep with jet streams ideal for those wanting to relax and unwind and at the same time you can enjoy incredible views. Excellent wellness/spa facilities include a Hammam and massage room which also open onto the pool terrace.
