Description

The Chalet Grand Cerf is located in the "Domaine des Brames", a quiet and intimate place where you can fully relax, just off the famous ‘Georges Mauduit’ piste,

Mainly composed of wood and stone, this chalet blends perfectly into the alpine landscape. Its south-west exposition will guarantee you an optimal sunshine and the openings will give a beautiful luminosity to all rooms.

Its contemporary architecture blends perfectly with the traditional mountain style. Touches of colour are present to enhance the tone and offer a real contrast. Authenticity is combined with modernity, which creates a strong character and a unique charm to this chalet.

It offers large spaces, starting with the majestic cathedral living room with fireplace where it will be nice to meet and share good moments in a warm atmosphere. Then there is the dining room with a gas fireplace, and the large Italian kitchen with a central work surface for even more conviviality. From this same level, you will have access to a large terrace south-west facing to admire and appreciate the superb panorama of the surrounding summits.

Eight en-suite bedrooms make up the chalet, to accommodate 15 people. The rooms are real cocoons with unique and cozy designs so that you can rest in optimal comfort.

After a good day on the slopes, the wellness area is the ideal place to relax and eliminate toxins. You will find a relaxation room with sauna, Hammam, showers and deck chairs as well as an outdoor Jacuzzi.
This chalet offers you custom-designed and modular services with the presence of a housekeeper for the maintenance of the chalet, a butler for your needs in concierge and transport, a chef for the elaboration of meals (breakfasts and diners). High quality services to make your stay relaxing and memorable.

A ski room, a laundry room, a garage (4 covered spaces) complete the services provided by this property.

Offering a high level of equipment and comfort, the Grand Cerf chalet is the perfect place for an unforgettable stay in the heart of the 3 Valleys!
