The layout is spacious and unfolds in three levels while the choice of fabrics and furniture enhance the easy island living, in full harmony with the local architecture and energy. The villa has a romantic aura, voluptuous curves, domed arches and white wooden ceilings. Its interior is decorated in the shades of Cycladic white and pale grey which contrasts with the Aegean blue and the brown stones of the natural landscape.

The ground floor, features one twin bedroom en-suite and one single bedroom en-suite while the upper level features one master bedroom en-suite with access to a balcony.
