Description

Villa Solea is a newly constructed property in a private estate of 2 sister properties cited at the southeast part of the Island of Mykonos. The residence enjoys a privileged position with uninterrupted sea views, in an area of the island, still at 15 min drive from Ano Mera and 25min drive from town. The residence is at walking distance to two non organised beaches that make it ideal for families or friends looking to immerse in the Aegean deep blue away from the crowds.

The outdoor area offers various corners for gatherings and relaxation with the pool at center stage. There are shaded lounge and dining areas with BBQ while the comfortable sunbathing beds around the deck offer the perfect scenery to enjoy the day in privacy. The gardens and the paths are all carefully crafted. The interior follows the simple island lines, where white and off white colorus prevail. Clean design, with chic aesthetics create a contemporary but still cosy aura for the guests. Pieces of art spice up the spaces to create inspirations and luxury living at its best.

Villa Solea is ideal for families or friends and can be rented along Villa Beneditta for larger groups.
