Description

Villa Horizon is the ultimate luxury retreat on a hilltop overlooking the majestic Ionian Sea. It is surrounded by lush gardens with mature trees such as olives, cypress, oranges, covered in bright bougainvilleas as well as other blossoms and plants. The beauty of the exclusive setting is complete with unobstructed sea views across the coast.

This stunning villa has been designed with an aim of providing both luxury and maximum comfort. It features a fenced heated pool and large outdoor lounge areas where you can enjoy relaxing moments with your loved ones in all comfort. The chic patios flow naturally inside through sliding doors, revealing plush furnishings, wooden floors and stylish stone details.
The Villa includes four bedrooms, each with its own separate bathroom, walk-in shower or bath, satellite TV and luxury provisions.
The villa is staffed by four members, a housekeeper, a concierge, a gardener and pool-maintenance technician.

This gorgeous estate is only a few minutes' drive away from the striking old town of Corfu, with its cobbled streets and elegant Venetian feel. And if you would happily exchange a city-break for a relaxing day at the beach, you will find some of the best beaches of the island, such as sandy Glyfada on the west coast and pebbly Nissaki or Barbati on the east coast, after a mere 20-minute drive.

Villa Horizon is ideal for families or friends looking for retreat in the island of Corfu.
